Pressing Tool ACO203BT

The future in hand – Press technology of a new generation.

The ACO203 offers all features needed for economic and efficient working. The innovative Brushless Motor Technology is impressive with its high performance and its low need for maintenance. Thanks to the new, implemented Bluetooth® technology, device-related data can be requested via the NovoCheck app.

The implemented illumination of the press area makes working, even in difficult lighting conditions, easier.

WORK LIGHT

NovoCheck App

- Data transfer between pressing tool and app
- Possibility to check the pressing tool's current status
- Analysis of the pressing tool performance
- Integrated report function for documentation of the installation

RapidPress Quality & Service

Tool Features
