Terms and Conditions of Trade

All cash sales made by The Metal Company ("The Company") to the customer are subject to the following conditions:

Unless otherwise agreed in writing by the Company, full payment for the goods supplied shall be due prior to possession of goods.

- The Company may charge interest at the rate of 2.5% per month on all overdue accounts, calculated from the date of Invoice until the date of actual payment. The Customer will pay all the cost of the Company (e.g. Debt collector's fee) for the purpose of obtaining payment of any monies owing to it or enforcing the company's right, powers and remedies under these terms of business.
- Returns apply to Trade Accounts only. Goods returned for credit are unable to be accepted without obtaining a Return Authority. Returned goods must be unused with the original packaging and proof of purchase. Goods must be returned to The Metal Company within 7 days of dispatch from The Metal Company for full credit to apply. A 20% handling charge will incur on goods returned between 7-28 days and a 50% charge will incur on goods returned between 28-59 days. Goods are non-returnable after 60 days. All procured, cut or fabricated goods are non-returnable. S Fisher & Sons Ltd's liability is limited to the cost of replacement of any products supplied by it so that its total liability will not exceed the price of the goods. All returns are at the discretion of S Fisher & Sons Ltd.
- Risk in the goods shall pass at the time of delivery and the Customer shall insure (and keep insured) the goods.
- By completing this form you have agreed that S Fisher & Sons Ltd's can record Farmlands card and/or credit card information.
- Guarantees Act 1993 are excluded where you require the goods from us for the purposes of business in terms of Section 2 and 43 of that Act. Except to the extent that the law prevents us from excluding liability, we shall not be liable for any loss or damage or liability of any kind whatsoever (including consequential loss or lost profit or business) whether suffered or incurred by you or another person and whether in contract, or tort (including negligence), or otherwise and whether such loss or damage arises directly or indirectly from the goods provided by us to you. Notwithstanding this, if we are found liable, our liability is limited to the price of the goods purchased by you.
